

Christopher Conley

1440 Seneca Dr. Apt F, Blacksburg VA, 24060 | (804) 334-3557 | csconley.com | chrisc93@vt.edu

Objective

- Obtain an offer for full time employment as either a Software Developer or a Software Test Developer.

Education

B.S. COMPUTER SCIENCE | EXPECTED GRADUATION MAY 2015 | VIRGINIA TECH

- Major: Computer Science GPA: 2.8
- Related coursework: Data Structures, Memory Management, Computer Systems, Data and Algorithm Analysis

Experience

INTERN | RACKSPACE | JUNE 2014 – PRESENT

- Learned and mastered the Agile work flow.
- Created analytics for Rackspace Webmail, tested Webmail using Selenium, and completed many technical debt stories.
- Participated in hackathon where I created my website/blog.

SOFTWARE DEVELOPER | SIMPLICIT | OCTOBER 2013 – JUNE 2014

- Startup - developed a social media application.
- Patent pending for Android and iOS application.

COMPUTER SUPPORT TECHNICIAN | VIRGINIA TECH | DECEMBER 2013 – MAY 2014

- Assisted the Department of Human Development with daily computer tasks such as setting up/fixing email, setting up/fixing printers, connecting to a wireless network, and diagnosing software and hardware related issues on a system.
- Gained excellent communication skills.

Skills & Abilities

COMPUTER SKILLS

- Proficient in:
Java | C | Javascript | PHP | CSS | Python | Linux | Git
- Familiar with:
Swift | C++ | Bash scripting
- Independent Web Development – Chat application using SocketIO (csconley.com:3000)
- Independent App Development – Multiple published apps on the Play Store
- Contributions to a custom version of Android – I implemented a fast-charge feature in the kernel for the Samsung Galaxy S4. I also maintain four variants of BeanStalk, a custom Android ROM.

SERVICE

- Member of Kappa Kappa Psi, honorary band service fraternity. I have held two positions in Kappa Kappa Psi, Alumni Relations Officer and Webmaster.

LEADERSHIP

- Tenor Saxophone section leader for the Marching Virginians. I was elected this position by a group of student leaders and two music professors at Virginia Tech. During practice I run sectionals which consist of a mini music rehearsal. On Sunday afternoons I meet with the rest of the Marching Virginian leadership to discuss new ideas and how to improve for the following week.
